RELIEF FOR INDIGENT CRIPPLES .- The New- and b Nork Society for the Relief of the Ruptured and Crippied, held their quarterly meeting at Room No Bible-House, on the 13th inst., when Dr. Knight, Resident Physician and Surgeon, presented the following dent Physician and Surgeon, presented the following report for the quarter ending. Feb. 1. "Three hundred and twenty patients received treatment, and for whem new surgical apparatus was required; 146 out-patients continued under treatment, all of whom required more or less repairs to the bandage which they wear for treatment. Of in-door patients, 26 little crippled children are under treatment, 6 having been discharged relieved during the quarter, and others received in their place, while many are waiting to be received, 26 being all that can be accommodated in their present situation at No. 97 Second-ave." A discussion then ensued as to the possibility of enlarging their premises and of obtaining means for that purpose, pending a period when they will be enabled to erect an hospital adequate to the wants of the city for the relief of cripples.

The defense set up that there was no evidence to show that the prisoner had a knife in his possession; and secondly, that he was not acting in concert with the man Byrnes in the sifray. After a very brief charge from the Judge the jury retired, and, after an absence of only a few moments, returned with a verdict of guilty of an assault with a langerous weapon, with an intent to do bodily harm. Sentence was deferred to Monday.
